

Directions: The wheel represents areas of a holistic life. Giving the center dot a value of zero (-) and the end of each line a value of ten (+), self-assess how well or how satisfied you are living in the fullness of your potential for that area. Shade in or draw a line to approximate the value (example: if you gave yourself a “5” for Faith, shade or draw a line that covers half of the area. After completing the assessment, you’ll have a good visual of how well you’re living your DESTINY Life and where you can focus your growth. Come back time and again when you’re ready to grow deeper into the person GOD created you to be! [NOTE: QVC = personal Qualities, Values, and Characteristics; i.e., patience, courage, tidiness, generosity, discipline, etc.]
