

THE SECRET TO HEARING GOD'S HEART FOR YOU

Week One

"You will seek me and find me when you seek me with all your heart. I will be found by you."

Jeremiah 29:13

1. As you draw near to GOD during this time of fasting and pursuit, what one or two things keep you from believing, receiving, or accepting his deep and unconditional love for you?

2. In moments of deep intimacy with your good, great, and glorious Father, how does his delight in you pour out into the world? Please give a few tangible examples of how his love manifests itself in your life.

3. In a few words or brief phrase, please share a personal prayer request as you pursue GOD through fasting and devotion this next week.
